Education

Haldia Institute of Technology   **July 2022 – July 2025**
Bachelor of Technology in Computer Science and Engineering   *Haldia, West Bengal*

Brainware University   **Jun 2018 – Jun 2021**
Diploma in Computer Science and Engineering   *Barasat, West Bengal*

Agarhati Gourhari Vidyapith (H.S)   **2018**
Higher Secondary Eduction   *Agarhati, West Bengal*

Agarhati Gourhari Vidyapith (H.S)   **2016**
Secondary Eduction   *Agarhati, West Bengal*

Projects

Frontend Code Editor | *HTML, CSS, JavaScript*
- Developed a sophisticated web-based code editor that supports syntax highlighting, real-time collaboration, and customizable themes, designed to enhance the coding experience for developers.
- Coordinated feature rollouts, and conducted code reviews to maintain code quality and consistency.
- Spearheaded the integration of real-time features.

Sorting Algorithm Visualizer | *HTML, CSS, JavaScript*
- Visual representation of popular sorting algorithms such as Bubble Sort, Merge Sort, Quick Sort, etc.
- Interactive controls to adjust speed and array size.
- Real-time performance comparison between different sorting techniques.
- User-friendly interface with responsive design.

Training / Internship

Prodigy InfoTech
Web Development Intern
- Developed and maintained user interfaces using HTML, CSS, and JavaScript to create responsive and visually appealing web pages.
- Utilized JavaScript to manage client-server interactions and handle backend data processing, enhancing the functionality and performance of web applications.

WebGuru Infosystems
Front End Developer Intern
- Gained experience in front-end development and back-end integration, enhancing overall web development skills.
- Learned to use HTML, CSS, and JavaScript effectively to build and style responsive web pages.
- Implemented JavaScript for dynamic content updates improving interactivity and performance.
- Developed problem-solving skills to troubleshoot and optimize web applications for better user experiences.

Technical Skills

Languages: C, C++, HTML, CSS, JavaScript, SQL
Data Structures and Algorithms (DSA): Searching, Shorting, Array, String, Linked List, Stack
Computer Science Fundamentals: Cyber Security and Blockchain Technology, Operating Systems, OOP principles, Database Management, Networking, Full-Stack Development, Cloud Computing.

Leadership / Extracurricular

Collage Sports Club   **Haldia Institute of Technology**
Member
- Actively participate in training sessions and club activities.
- Represent the college in inter-college badminton tournaments.
- Organize and assist in club events and activities, fostering a positive and inclusive environment for all members.
